FOR IMMEDIATE RELEASE

Tammy's Janitorial Services Honored with Best of San Joaquin 2015 Award, Thanks Voters

Stockton California, USA – November 6, 2015 – TAMMY'S JANITORIAL SERVICES was recently named by The Record as San Joaquin Valley's best cleaning service.

The Record, the most widely read San Joaquin Valley publication, recognized businesses that were voted by their readers as the best in their respective categories in a poll taken from July 19th through August 2nd, 2015. The Record holds awards annually, and chooses only the top 1-3 in each category for their publication.

"We're honored by this award", said Tammy Ruiz, Owner. "We appreciate our customers and want to thank them for their confidence in us. We work hard every day, not to win awards, but to build a business based on trust and value."

Ms. Ruiz is active in the business community and recently completed a term as Vice President of BNI Stockton Business Partners. "I love helping people", she said. "That's where I find my passion. I always try to act right away on great opportunities and I've found my successes are greater when I can make it a win for everyone. I believe that everyone plays a part in a happy home, business, or community, so bringing people together in cooperation is best for everyone concerned. We congratulate the winners in all categories. It's great to see local businesses, especially other small businesses, get well deserved recognition."

Tammy's Janitorial Services has grown from startup to a thriving business in less than four years, with a team of seven, over fifty residential and commercial customers, and a 5 Star-rated Yelp page. The company is making plans to give back to the community in 2016 through active volunteerism in local programs.

"Tammy and her whole team are a pleasure to work with. They are very thorough and good at what they do in helping you get your place spotless", said Jim T. Chong, money specialist and "Wok Star" on the radio show "RUSH HOUR for SUCCESS on MONEY 105.5 FM". Tammy's Janitorial Services cleans Mr. Chong's rental properties for move-in's. "Tammy is honest and thorough and really does a wonderful job. I have a 5 bedroom home and she does a fabulous job in cleaning and goes after the detail areas. I would highly recommend anyone who wants to get their place spotless to consider using Tammy's Janitorial Services."
